JOSEPH MUINDI MUTUA

Summary

Joseph Muindi is a third-year student at Machakos University, pursuing a Bachelor of Commerce with a focus on Finance. Alongside his academic pursuits, he possesses computer skills.

Skill Highlights

- Financial analysis
- Computer Skills
- Financial Reporting
- Budgeting and Forecasting
- Innovative
- Service-focused

Experience

As a dedicated student, I have developed strong skills in financial and accounting matters through academic coursework and class performance. While I may not have real-life experience yet, I am eager to apply my theoretical knowledge to practical situations and contribute effectively in a professional setting.
